

V. In your conception, O Virgin, you were immaculate!

R. Pray for us to the Father, whose Son thou did bring forth.

Let us Pray:

Most holy Virgin, Mother of God, immaculate in body and soul,
look kindly on your children who implore your powerful prayers.
The wicked serpent continues fiercely
to attack and ensnare the unhappy children of Eve.

Dear Blessed Mother, our queen and our advocate,
who has crushed the head of the enemy,
receive the petitions we place before you today:
especially for the victims of abuse,
for the holiness of our clergy,
and for healing within our Church.

We implore your prayers, before the throne of God,
that we may never fall to the snares of the devil,
that we may arrive at the gates of salvation,
and, that amidst so many dangers,
the Church may once again become a sign of God's holiness
for us, and for all the nations of the world.

Amen.
